

Name _____

If You Were a Parent

If you were a parent, you would make plans for your child.
Write about your plans.

1. What name would you choose for a baby girl?

2. What name would you choose for a baby boy?

3. What could you show your child how to do?

4. What could you tell your child about school?

.....
To the Teacher: Children find it interesting to try out the role of parent. Give your students time to write some thoughtful answers, then let everyone have a chance to share.
