# Personalized Plate

Important message: Be Yourself. Print your state's name at the top of this personalized license plate. Add your name and some color. Cut, fold, and glue as shown.

A large rectangular area for creating a personalized license plate. It is divided into sections by dashed lines. At the top is a blank space for writing a state name. Below that is a large rounded rectangle containing the text 'B YRS LF' in a large, outlined font. Below this is another blank space for writing a name. At the bottom is a shaded rectangular area labeled 'Glue'.
