Family Note: Your child is remembering his or her First Communion experience. If your child completes this activity at home, help your child appreciate the event by talking about the day. You may want to provide photos for the activity.

Catechist Note: Use this activity with Chapter 8, "Living Eucharist." Help the young people by talking about their First Communion experience. You may want to provide art supplies, as well. Encourage them to bring the page home and store it in a photo album or keepsake box.
