God's Love

You have learned that God loves all of his children. Decorate the words on the banner, and add pictures or symbols that show God' love.

Family Note: Your child learned that God loves his children and that Jesus came to bring all people back to God's love. If your child completes this activity page at home, provide art material. Display your child's finished banner at home.

Teacher Note: Use this activity with Chapter 1, "God's Love." Provide art materials. The young people may wish to make the words on the banner a mosaic by applying small pieces of colored construction paper or art tissue. Encourage them to take their banners home to share with family members.
