Ambassador of Christ

Jesus asks us to go forth and help others be reconciled. Decorate the badge below and display it to help you to remember to be an ambassador of Christ.

Family Note: Your child is learning to spread reconciliation to other people by being an ambassador of Christ. Encourage your child to hang up the decorated badge to remind her or him of Christ's message.

Catechist Note: Use this activity with Chapter 8, "Living Reconciliation." Provide art supplies. Encourage the young people to take home and display their completed badges.
