A Forgiveness Picture-Story

God's love is a forgiving love. Use the boxes below to draw a picture-story about a time when someone hurt you or made you angry. Let the final picture show you forgiving the person and saying, "Welcome back!"

The form consists of a large outer rectangle with a thin black border. Inside this rectangle, there are seven smaller empty rectangular boxes arranged in three rows. The top row has two boxes of equal size. The middle row has three boxes of equal size. The bottom row has two boxes of equal size. All boxes are empty and intended for drawing.

Family Note: Your child is learning that God's love is a forgiving love. If your child completes this activity page at home, help him or her recall times when love and forgiveness were needed. Encourage your child to share his or her picture-story with other family members.

Catechist Note: Use this activity page with Chapter 7, "Showing Love." Help the children prepare for the activity by discussing the idea that when we forgive one another, we are showing God's love. Provide drawing materials. You may want to let the children share their completed picture-stories.
